From the Mayor's Office

Dear Residents,

Greetings to all the wonderful members of our Franklin community! As your Mayor, it is my great pleasure to extend a warm and heartfelt welcome to each and every one of you. I hope this message finds you and your families in good health and high spirits.

Our beloved City holds a special place in all our hearts, and the community spirit truly makes Franklin shine. Whether you have recently moved here or have been a resident for generations, you are an essential part of the vibrant tapestry that makes up our City's identity.

On behalf of the City Council and myself, I thank you for making our annual Independence Celebration a success. Our well-attended celebration was a testament to your active participation and support, which exemplifies a strong sense of community that makes our City unique. The dedication and hard work of our City officials, volunteers, and local businesses contributed to the smooth operation of the celebration. From the lively parade to the entertaining performances, every aspect of the event was evidence of our City's unity and diversity.

Furthermore, I invite all residents and visitors to come and explore the rich history adorning the walls of my office in City Hall. Thanks to the efforts of our devoted Franklin Historical Society, the walls have been decorated with captivating snapshots from our City's past. It's an opportunity to journey through time, witnessing the growth and progress that has shaped Franklin into what it is today.

As we progress, I am committed to fostering an open, inclusive environment where every voice is heard. Your ideas, feedback, and involvement in shaping our City's future are invaluable. We can build a stronger Franklin that thrives on unity, progress, and community. I sincerely appreciate all of you for making Franklin a City we proudly call home. Your dedication and engagement make a significant difference, and serving as your mayor is an honor and privilege. Thank you for being a part of our community. Let's fill the upcoming months with positivity, growth, and shared memories.

With warmest regards,

Mayor John R. Nelson

City of Franklin 2024 Annual Budget

Mayor John R. Nelson is strategically working on his City of Franklin Recommended 2024 Budget, which is expected to be released by the beginning of October. Once released, the Common Council will refer the proposed 2024 budget to the Finance Committee, scheduling budget review meetings in early October. These meetings will be held to review the budget in detail. The Finance Committee will then present its recommendations to the Common Council mid-October.

Check the City calendar at www.franklinwi.gov for more information, as additional budget meetings may be scheduled as needed. A public hearing and final budget consideration are planned for a Special Common Council Meeting on Tuesday, November 14th, beginning at 6:30 p.m. in the Council Chambers at City Hall. All budget-related meetings provide a 'citizen comment period' where citizens are encouraged to provide input and ask questions. Questions regarding the budget may also be directed to Danielle Brown, Director of Finance and Treasurer, at dbrown@franklinwi.gov or Kelly Hersh, Director of Administration, at khersh@franklinwi.gov.

Once available for viewing, the Mayor's Recommended 2024 Budget document will be available at the Franklin Public Library, in the Office of the City Clerk at Franklin City Hall, and online at www.franklinwi.gov.

Spring Election: April 2, 2024

Fall Primary: August 13, 2024

General Election: November 5, 2024

Buckthorn Identification & Control

- Buckthorn invades oak forests, riparian woods, savannas, prairies, old fields, and roadsides. It thrives particularly on well-drained soils, and can be problematic in green infrastructure storm water facilities designed to capture water and drain within a short amount of time.
- Common Buckthorn has ovate or elliptic leaves, with prominent veins curving toward tip. Mostly opposite leaves, 1-2.5" long, with tiny teeth. Leaves remain on plants and stay green into fall. Bark is gray to brown with prominent light-colored lenticels. Cut bark exposes an orange inner cambium layer.
- Glossy Buckthorn is similar to Common Buckthorn. Leaves are mostly opposite, with greater number of veins. Upper surface of leaves are shiny with undersides dull.
- Abundant clusters of round, black, pea-sized fruit ripen on female plants in late summer that are dispersed by birds and mammals. Fruits remain on plants into winter after all the leaves have fallen.

Control

- Mechanical: Small plants may be hand pulled. Prescribed fire for seedlings. Larger plants can be dug or pulled using a leverage tool such as a weed wrench. Girdling trees requires stripping the bark to expose the inner hardwood at a minimum of 6 inches. Effective any time of year.
- Chemical: Cut-stump treatment with glyphosate in late fall is very effective. Cut stump, basal bark spray, or hand-wicking treatment around the stem with triclopyr in late fall through the winter to reduce environmental impact of chemical application.

Call 911 In An Emergency!

In recent months, the Franklin Fire Department has seen an increase in residents and businesses calling the Franklin fire stations directly, using our 7-digit, non-emergency phone number in situations where they need immediate help. Many times, they say "We don't want to bother you" or "It's really not a serious emergency".

A risk in calling the fire station directly, is the chance that our crew will be out handling a previous emergency response and no one will be present to answer your phone call in a timely manner. **Please, if you need the help of our firefighters and paramedics, call 911!** Our 911 dispatchers will quickly assist in getting the help you need from the closest fire station. If your request is indeed a non-critical circumstance, our crews are instructed to respond in a "non-emergent" mode, meaning we do not use our warning lights and sirens—much safer for everyone involved.

What a GREEN SUMMER in Franklin!

Thank you, Franklin! This summer, the Milwaukee Metropolitan Sewerage District (MMSD) and the Fresh Coast Guardians worked with City of Franklin residents to install green infrastructure in our neighborhoods. Residents

learned the benefits of managing stormwater where it falls. Green infrastructure (GI), such as rain barrels and rain gardens, capture, absorb, or store rain and melting snow, reducing the storm water runoff that can transport many pollutants to our local waterways. They also reduce the likelihood of flooding and basement backups, beautify neighborhoods, and manage water and sewer costs.

Over 100 rain barrels were installed and 8 rain gardens planted throughout the City of Franklin. Deep-rooted native flowers were also planted at Kayla's Playground.

Visit [Facebook.com/FranklinGreenSummer](https://www.facebook.com/FranklinGreenSummer) to see photos from this summer's activities and to learn more about Franklin Green Summer. To learn more about green infrastructure and how you can help, visit <https://www.freshcoastguardians.com>.

Fall Brush & Leaf Pickups: Sept. 11, Oct. 30 & Nov. 13, 2023

The final 3 brush and leaf pick-ups for 2023 will take place Mondays, September 11, October 30, and November 13. The City's waste hauler will move through the City starting at 7 a.m. on these designated Mondays and work through the week until they are finished. All brush piles and leaves are required to be curbside and next to the driveway by 7 a.m. on these Mondays. Brush and leaves that are not out when the hauler goes by will not be picked up at a later date. Your regular garbage will be picked up on your normal garbage pickup day. Please call 414-425-2592 with any questions.

Pick-up will include:

- **Brush** (tree limbs, bush cuttings, and similar) must be cut to no longer than 5 feet in length and no larger than 6 inches in diameter, must be piled or tied/bundled (preferred), and placed curbside next to your driveway. Each household is limited to one pile no larger than 4'x4'x5' and be 50 pounds or less. Larger piles, multiple piles, and brush thrown in the ditch will not be picked up.
- **Leaves** must be in paper compostable yard waste bags or 32-gallon or smaller trash containers weighing 50 pounds or less that can be emptied into the collection truck (no limit on number of bags or containers). Plastic bags of any kind are NOT allowed and will not be picked up. Please place bagged leaves away from your regular trash so they will not be missed. Leaves are not to be raked into the street.
- **No grass clippings, flowers, stumps, fruit, roots, or other garden debris will be accepted.** These items, as well as brush and leaves, may be disposed of at the Waste Management Metro Landfill, 12200 W. South County Line Road (414-529-6180, Hours: Monday, Wednesday, Friday, 8 a.m. to 4 p.m.; Saturday, 7 a.m. to 3 p.m.).

LATERALLY SPEAKING

Plumbing 101: Keep pipes flowing—and avoid costly problems

What's the homeowner's responsibility, what's the City's responsibility, and little-known facts about when to call a plumber!

Have you ever experienced a basement sewer back-up? The heart-sinking experience of laying eyes on all your sewer water-soaked belongings, the cleaning, the odiferous basement air that seems to linger for weeks? If you've experienced it, you know how exhausting and expensive it can be. But good news: there are things we as homeowners can do to ensure it doesn't happen to us—and to make other plumbing situations keep flowing smoothly. Let's look at who's responsible for what.

The homeowner's responsibility: The sewer lateral under your home. The sewer lateral is the pipe that carries wastewater away from your home to the public sanitary sewer main located under your street. Many homeowners don't realize it, but the sewer lateral is your responsibility—all the way into the street. As that pipe system ages, defects can develop, making it that much more important to make sure your sewer lateral is in good working condition. If your sewer lateral has issues that clog it or make it susceptible to breakage, excess rainwater (also called "clearwater") can overwhelm it and increase the risk of back-up of dirty water. Connected downspouts and foundation drains are common culprits that contribute unwanted excess rainwater to your sewer lateral. Defects in the sewer lateral such as cracks, sags in the pipe joints, and tree root intrusions all allow groundwater to enter your sewer lateral. Homeowners should remove connected downspouts as required in Franklin Municipal Code 190-24 (4). In most situations, foundation drain connections are prohibited and the homeowner is best advised to redirect them to lessen the chance of problems.

To get on top of any potential issues, start by having your sewer lateral inspected by a plumber using video inspection in which a camera is fed through the pipe system to identify any issues and remedies. Request that the plumber record the video inspection and provide you a copy.

The City's responsibility: The sanitary sewer main in front of your home. There are more than 210 miles of sewer main line running through the City of Franklin, all of it the City's responsibility to keep flowing freely. The City performs camera inspections every 6 to 7 years to ensure that all pipes are clean and free of defects. If you live in the City of Franklin and experience a basement sewer back-up, please call 414-421-2613. If a back-up occurs late at night, call the non-emergency Police Dispatch at 414-425-2522 and they will have an on-call employee respond.

When else to call a plumber: Two little-known facts. Be aware of two little clues that a sewer lateral problem could be imminent. Call a plumber if you have:

- sewer water backing up through the floor drain, sinks, or toilets.
- debris around the floor drain—this can be evidence that water back-ups are occurring.

Here's another little-known fact: Milwaukee Metropolitan Sewerage District's (MMSD) "Pipe Check" program can cover some of the expense of lateral repair when it's needed. It provides homeowners flat-rate financial incentives as high as \$7,000 that cover a portion of the cost of completing repairs, including lateral replacements, foundation drain disconnections, and lateral lining. Funding availability is limited; early inquiries receive preference. For more information, please visit www.mmsd.com/pipecheck or call 414-225-2250.

Watch for more information under the title "Laterally Speaking" in future issues of the Franklin City Newsletter.

Wednesday, October 11, 2023: Gypsy – Marriott Theatre, Lincolnshire, IL

**** RSVP Deadline: September 15 / Resident Fee: \$73 ****

GYPSY is known as the mother of all musicals—the tale of the ultimate ambitious stage mother, fighting for her daughters' success while secretly yearning for her own. Arthur Laurents' landmark show explores the world of two-bit show business with brass, humor, heart, and sophistication. This lavish classic boasts a celebrated score by Jule Styne and Stephen Sondheim including, "Everything's Coming Up Roses," "Let Me Entertain You," "Some People," and "Together Wherever We Go."

Lunch includes **choice of two entrees—Chicken Florentine with Alfredo sauce or Parmesan Crusted Tilapia with lemon cream sauce**, accompanied with baby greens salad with apples, pecans, and champagne vinaigrette, and chef's choice of starch, vegetables, and dessert. Coffee, milk, regular and iced tea included.

Thursday, November 16, 2023: Scrooge The Musical – Fireside Theatre, Fort Atkinson

**** RSVP Deadline: October 13 / Resident Fee: \$77 ****

Join us for this merry, sparkling, tuneful, boisterous Broadway musical version of the world's most beloved Christmas story—Dickens' **A CHRISTMAS CAROL**. Based on the popular musical movie starring Albert Finney, **SCROOGE THE MUSICAL** tells this time honored tale of redemption and love as only The Fireside can – with a beautiful and rousing musical score (including the well-known "Thank You Very Much"), breath-taking dancing, beautiful period costumes, uproarious comedy, and heart-warming drama. If you have to choose only one Christmas show this season, you must see **SCROOGE THE MUSICAL**.

Lunch includes freshly baked breads, Tomato Bisque topped with pesto croutons, choice of entrée, all served with roasted garlic butter redskin potato wedges, roasted broccoli and cauliflower, and Black Forest cake topped with whipped cream for dessert. Coffee, milk, regular and iced tea included. **Entrée choices include: 1) Supreme Cut Chicken Breast:** seasoned with lemon pepper and seared; **2) Sliced Roast Beef Tenderloin:** chef carved medallions of roast beef tenderloin glazed with a red wine sauce; or **3) Grilled Atlantic Salmon:** seasoned, grilled filet of fresh Atlantic salmon accompanied by a creamy lemon Velouté sauce.

**Wednesday, December 13, 2023: Beautiful, The Carole King Musical
Marriott Theatre, Lincolnshire, IL**

**** RSVP Deadline: November 10 / Resident Fee: \$73 ****

Celebrating the soundtrack of a generation, **BEAUTIFUL** is the inspiring true story of Carole King's remarkable journey from teenage songwriter to the Rock & Roll Hall of Fame. From the chart-topping hits she wrote for the biggest acts in music to her own life-changing, trailblazing solo album, **BEAUTIFUL** takes you back to where it all began – and takes you on the ride of a lifetime. Featuring such unforgettable classics as "You've Got a Friend," "One Fine Day," "So Far Away," "Take Good Care of My Baby," "Up on the Roof," "You've Lost That Lovin' Feeling," "Will You Love Me Tomorrow," and "Natural Woman," this Tony and Grammy Award-winning musical phenomenon is filled with songs you remember and a story you'll never forget.

Lunch includes **choice of two entrees—Garlic Crusted Pork Loin with jus or Herb Crusted Salmon with red pepper**, accompanied with garden salad and chef's choice of starch, vegetables, and dessert. Coffee, milk, regular and iced tea included.

FRANKLIN PUBLIC SCHOOLS

OPENING DOORS

SEPTEMBER 2023

FROM OUR STAFF:

What are you most excited for in your classroom this year?

"The opportunity for students to share about themselves, learn new ideas, and make connections!"

MRS. BUSNIEWSKI, Ben Franklin, 5th Grade

"To see the students develop a sense of teamwork and responsibility to each other and themselves

is one of the most rewarding things a teacher can witness."

MRS. MICHEL, Pleasant View, 3rd Grade

"When a child knows you care, it helps that child feel safe to make mistakes and to take risks. I feel relationships

are vital to social and academic success."

MRS. MCDERMOTT, Robinwood, 3rd Grade

"Classroom community is so important for all of our learners and facilitating that in a fun, charismatic and energetic way is the

BEST way to connect with our youngest Southwood Glen lions!"

MRS. DYKSTRA, Southwood Glen, Kindergarten

"I am looking forward to building relationships with my students while inspiring them to love science, so they can stay curious and be in awe of the beauty of this world!"

MRS. WARNELL, Franklin High School, 9-12th Grade

Kicking Off a New School Year

ANNALEE BENNIN, DISTRICT ADMINISTRATOR

The energy of this time of year is always so exciting as we welcome new and returning learners and educators back to school! The smell of freshly sharpened pencils (yes, we still use pencils) and the shiny floors of the schools remind us of the hard work of all of our team and families to prepare for the school year. The beginning of the new school year also offers us the opportunity to collaborate with our staff around our annual tactics in alignment with our 3-year District Coherence Plan (strategic plan). We actualize that work through being a **Better Place to Learn**, **Better Place to Work**, and **Part of a Better Community**. Did you know...

BETTER PLACE TO LEARN

We had a record number of 1,200 learners participate in our Summer Learning opportunities this summer. This school year, we have welcomed over 4,600 learners to our 4K through 12th grade and special programming.

► For comparison, FPS services approximately 300 more students than just ten years ago.

BETTER PLACE TO WORK

We are honored to have highly qualified staff that we welcome back each year. We hire experts to lead our learners on their educational journey and appreciate their dedication to our learners and families.

► In this addition of Opening Doors, we asked our staff to share what they are looking forward to for their classroom this school year.

PART OF A BETTER COMMUNITY

Our school system is honored to be a part of a supportive community. We are a growing community, as you have likely noted as you venture around the city. We have partnered with a professional firm to assess our future growth and they are estimating a growth of around 500 students by the year 2035. That is growth of approximately 800 students in our charge over a twenty-two year span!

► Growth is healthy for our community and it offers FPS and the school board the opportunity to study how that affects our current facilities and their ability to accommodate this growth while continuing to provide spaces for our high quality educational experiences.

District Administrator Annalee Bennin & 2023-24 New Staff Members at August Training

What are you most excited for in your classroom this year?

"I am excited for students to learn about new cultures this year and make connections with their own."

MRS. GJINOLLARI, FPMS, 6-8th Grade

"I am thrilled to include the support of two new team members as well as watch our new principal, Ms. Jean, build relationships with our Country Dale staff, students, and families."

MRS. NOLLER, Country Dale, 2nd Grade

Conservancy Recognizes FHS Work

CHAD KAFKA, FPS COMMUNICATIONS SPECIALIST

This summer, seven individuals, including four Franklin High School student interns and Environmental Science teacher, Pat Gain, were recognized for their service efforts, initiatives, and programs for the Conservancy for Healing and Heritage located in Franklin.

The Franklin High School ECO Club and Environmental Sciences classes have collaborated with the Conservancy for seven years. Students assist with land stewardship by monitoring flora and fauna, identifying invasive species, and developing initiatives to maintain an ecological balance on the property. The high school's environmental curriculum is supported and enhanced by this partnership, as field studies allow the property to serve as an "environmental learning lab" outdoor classroom. Continued efforts beyond classroom lessons with students in internship roles have helped enhance and maintain the quality of the Conservancy, while creating well-informed young men and women, ready to continue to make a difference in society.

See our students featured in a video shown at the event by going to tinyurl.com/FHSConservancy OR scan the QR code right. Thank you students, Mr. Gain, and the Conservancy for this great community partnership!

FPS School Board Focus

MIKE SPRAGG, FPS SCHOOL BOARD PRESIDENT

The work of the FPS School Board is driven by a 3-year Coherence Plan, which was adopted in 2018 and refreshed in 2021. The Coherence Plan is based on strategic goals and actualized by striving to be a **Better Place to Learn, a Better Place to Work, and Part of a Better Community**. A large part of the board's work this year will be refining the Coherence Plan for 2024. We will continue to sharpen our focus on embracing the belief that all children will learn and remain committed to excellence in student achievement and continuous improvement.

The Board is proud of the work accomplished with our administration and staff this year. Student achievement continues to grow and we continue to hold the mill rate steady. We are looking to invest in Franklin with an upgrade to the community education and recreation facilities. In addition, a facilities study has been completed and we will look ahead to Franklin's future in education. We have completed one year with our Key Communicators group which involved sharing how the Coherence Plan impacts our work and receiving feedback from community members as we build for the future.

As we look forward, we continue to learn from our successes and challenges. We value input from all stakeholders, especially as we update our Coherence Plan. For reference, the current plan can be found on our website by visiting tinyurl.com/profilefps.
